Administrator: Tonya Dillingham

Center Director: Brittany Ortiz

Carealot Supervisor: Shayla Buchkowski

Happy Birthday!

Alex C. 3rd
Jace S. 3rd
Ava T. 4th

Infant A 1

Were did time go! August has been a month of fun. We have gone on many walks and played on the swings outside. We are excited that Andie is back with us again every day.

The month of September is going to be about animals. We will look at the pictures of different animals along with singing songs wit hall the funny sounds some animals can make. Along with that for our little friends we are going to continue working on tummy time and strengthening our muscles to roll over. For our other friends we are going to work on standing up on our own and being able to sit back down. Its going to be a busy month of learning but we can't wait to do it together.

If you have any questions, please let us know.

Ms. Brittany and Ms. Toni

Infant A 2

Summer has been fun in the infant room. We were able to experience the sprinklers a few times along with playing in the grass when the weather allowed it. We went on many walks where we saw birds and ducks in the bonds on the trail.

We are excited for the month of September and learning about animals. We will be learning what sounds animals make and the different colors they are along with size. We will also keep working on meeting those miles stones and some friends are learning to walk, and others are perfecting using a spoon or fork at mealtimes.

Have a great memorial weekend and we are excited to start this new month off great.

Ms. Sam, Ms. Toni

Cherry:

Summer has gone by fast, and we are ready for fall! We have recently welcomed Lorelei to Cherry room as she moves on up from infant A. Through out the month of August we did many camping/ summers themed art projects to add to our window/ and around the room. We can't wait to show off our new art projects as the month continues into the theme of animals.

Olive:

Summer is coming to a close, and the month of September is already here! The olive room has been a busy and fun place this August as we explored the theme going camping. Our friends especially enjoying in our dramatic play area as they cozied up in the tents, cooked over a campfire and discovered lots of different camping tools/equipment. We also had lots of fun tie-dying, and making s'more trail mix!

This summer we have really been enjoying our time spent outside, we have been having a great time going for walks, playing on the playground, and playing in the sprinkler, our friends love the splash mat. At the end of August, we said a big welcome back to Reed and Brynlee as they came back after summer break. We look forward to so much fun ahead as e get ready for fall, and all the new exciting things it will bring.

During the month of September, we look forward to the theme All about animals, we will be exploring and learning about jungle, ocean, pets and farm animals. Be listening for some new animal songs and looking for lots of fun animal art projects. As always please feel free to come to us at any time with any comments, concerns, or questions you may have, and we thank you for your support as we continue to learn and grow every day here in the Olive room.

Ms. Becky, and Ms. Nikki

Blueberry:

Summer has seemed to fly by! We have had so much fun as we went on walks and enjoyed the sprinkler days. As we move into fall, we are hoping to keep having just as much fun, as we watch the leaves change and enjoy chalk activities outside.

The month of August we had a blast with the theme camping. We talked about the things you may see while camping like stars, animals. We make some fire pit art along with bugs that you may see while out camping. We loved here stories from friends camping trips and what they like to do with their families when they go camping.

September is going to bring the theme animals. We are getting excited to talk about farm animals, pets, ocean animals and rainforest animals. This them is going to have lots of art activities and songs that we will be learning. We are also going to work on learning the letters in our name and the letter of each week. Please let me now if you have any questions as we move into our new theme.

Ms. Shayla

Grape:

Goodbye summer and Hello September, as we move into our new routine of friends getting ready for 4k and school age friends start heading back to school. I am excited to have some activities that we can do in the afternoon as they wake from their rest.

Please keep checking your child's cubbies for anything that needs to be sent home. Please keep all blankets to one per child as we run out of room in our cubbies thank you and look forward to an awesome time in Grape room.

Mr. Brett

Summer Camp:

I can't believe that its already the end of summer! We have had a blast with all the field trips from the zoo, crafting, learning about different plants that you can use to cook with and seeing butterflies. We are going to enjoy the last few days that we have left together having a grilled cook out picnic in the back field while we play some games. And finish off strong with one last sprinkler day before school starts.

We hope you al have a wonderful school year and can't wait to hear all about its next summer.

Ms. Jess and Ms. Amy
